No. 1453

Introduced by Assembly Member Koretz

(Coauthors: Senators Kuehl and Romero)

February 23, 2001

An act to add Sections 22963, 22964, and 22965 to the Business and Professions Code, relating to tobacco products.

LEGISLATIVE COUNSEL'S DIGEST

AB 1453, as amended, Koretz. Tobacco: display and use limitations.

Existing law provides for the establishment of programs relating to tobacco use prevention.

This bill would prohibit any person, firm, or corporation from displaying or making available any ashtrays or other receptacles designed for tobacco-related waste for use on the premises where smoking is prohibited with specified exceptions, and would impose

either a civil penalty or subject the person, firm, or corporation to a citation for an infraction with escalating fines for subsequent violations. By creating new infractions, the bill would impose additional duties on local law enforcement agencies, thus creating a state-mandated local program.

This bill would also prohibit the distribution of free samples of tobacco products by mail to anyone who has not been previously identified as a consumer of tobacco products who is 18 years of age or older and would impose civil penalties for each violation of this provision.

This bill would require any person, firm, or corporation that maintains an area where smoking is permitted under state law to provide one or more receptacles for tobacco-related waste for use on the premises.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 22963 is added to the Business and
- 2 Professions Code, to read:
- 3 22963. (a) Except as provided in subdivisions (b) and (c), no
- 4 person, firm, or corporation shall display or make available
- 5 ashtrays or other receptacles designed for tobacco-related waste
- 6 for use on the premises where smoking is prohibited under existing
- 7 state law.
- 8 (b) Notwithstanding subdivision (a), a receptacle for
- 9 tobacco-related waste may be placed within five feet of a door
- 10 available for public entry onto the premises.
- 11 (c) *Any person, firm, or corporation that maintains an area*
- 12 *where smoking is permitted under state law, such as an outdoor*
- 13 *dining area, shall provide one or more receptacles for*
- 14 *tobacco-related waste for use on the premises.*

(d) Notwithstanding subdivision (a), ashtrays may be sold or distributed to the public on premises where smoking is prohibited but only for use in areas where smoking is not prohibited.

~~(d)~~

(e) Any person, firm, or corporation who is in violation of subdivision (a) shall be subject to either of the following:

(1) A civil penalty assessed by the State Department of Health Services for each violation according to the following schedule:

(B) A civil penalty of five hundred dollars (\$500) for the second violation at the same location within a five-year period.

(C) A civil penalty of one thousand dollars (\$1,000) for the third or subsequent violation at the same location within a five-year period.

(2) A citation by local police, sheriff, or code enforcement personnel for committing a public offense punishable as an infraction by a fine subject to the following schedule:

(C) For a third or subsequent offense at the same location within a five-year period, punishable by a fine of one thousand dollars (\$1,000).

SEC. 2. Section 22964 is added to the Business and Professions Code, to read:

22964. (a) No person, firm, or corporation shall provide free samples of any tobacco product by mail to anyone who has not been previously identified as a consumer of tobacco products who is 18 years of age or older.

(b) Each mailing of a tobacco product to any person who has not been previously identified as a consumer of tobacco products who is 18 years of age or older shall constitute a separate violation of subdivision (a) and shall be subject to the civil penalty as provided in subdivision (c).

(c) The State Department of Health Services shall assess a civil penalty of two hundred fifty dollars (\$250) for each separate violation of subdivision (a).

1 SEC. 3. Section 22965 is added to the Business and
2 Professions Code, to read:

3 22965. (a) Sections 22963 and 22964 shall not preempt or
4 otherwise prohibit the adoption of a local standard that imposes
5 greater restrictions on the promotion of, use or access to tobacco
6 products than the restrictions imposed by this division.

7 (b) To the extent that there is an inconsistency between
8 Sections 22963 and 22964 and a local standard that imposes
9 greater restrictions on the promotion of, ~~or the use or access to use~~
10 ~~of, or access to~~, tobacco products, the greater restriction on the
11 promotion of, ~~or use or access to use of, or access to~~, tobacco
12 products in the local standard shall prevail.

13 SEC. 4. No reimbursement is required by this act pursuant to
14 Section 6 of Article XIII B of the California Constitution because
15 the only costs that may be incurred by a local agency or school
16 district will be incurred because this act creates a new crime or
17 infraction, eliminates a crime or infraction, or changes the penalty
18 for a crime or infraction, within the meaning of Section 17556 of
19 the Government Code, or changes the definition of a crime within
20 the meaning of Section 6 of Article XIII B of the California
21 Constitution.
